

# Light Silhouette Craft

## Instructions:

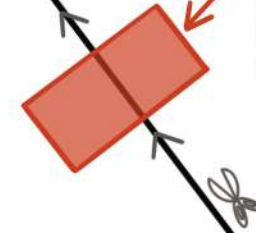

1. Cut carefully round the outline of the person, following the arrows with your scissors.
2. Once you've cut out the person, we want to be left with an empty shape of a person in the middle of the page. So tape up the line you cut through at the beginning - so the only hole in the page is where the person is.
3. Now you can turn off the lights and hold the page up to the wall and shine a light or a torch at the paper. Then you'll see the person light up on the wall!  
Use this to help remember the verses from Ephesians 5!

“Live as children of **LIGHT** (for the fruit of the light consists in all goodness, righteousness and truth) and find out what pleases the LORD.”

↳ Ephesians 5:8-10

Make sure to tape back over this part of the paper after cutting out the person silhouette.

Extra Step: To make a different colour light you can use see-through sweet wrappers or colour in some clingfilm to stick

Over the person shaped hole. When you shine a torch through it you'll see different colours on the wall!
