

## Job 38-42 – God’s Q&A

### When we ask the questions: why God?

Job – a great man, who suffers horribly...

... followed by 35 chapters of silence from God

### When God asks the questions:

He intimately rules every detail of his world...

*...the big things*

*...the little things*

He supremely rules over evil

**God will finally restore and vindicate**

## Job 38-42 – God’s Q&A

### When we ask the questions: why God?
